

# THE PINK ROOM

## BEGINNER MASTERCLASS - IN PERSON

Start your nail technician career and learn everything you need to know about gel extensions and getting started in the industry. This in-person course is taught by Maria Sotelo at The Pink Room over 2 days (~8 hours/day).

### Course Outline:

- Product & tool education
- Nail anatomy
- E-file usage
- Infections & safety procedures
- Step-by-step manicure completion
- Step-by-step nail extensions
- Polish application
- Proper nail removal
- Introduction to nail art
- Introduction to vendors & product lists (& more!)

When you sign up for the Beginner Masterclass, you will receive an extensive nail technician kit (valued at ~\$1,100) that will include everything you need to start taking clients and building your career.

### Nail kit includes:

- Illustrated Theory Manual (written and designed by Maria Sotelo)
- LED lamp
- E-file & file bits
- Dust collector
- Builder gel
- Brushes (application, nail art, dust, clean up)
- Primer & dehydrator
- Various gel polishes (Bio Seaweed, including base & top coat)
- Roll of five hundred nail extension forms
- Files & buffers
- Cuticle pusher & nippers
- Scissors & tweezers
- Nail clippers
- Cuticle oil (made and sold by The Pink Room)
- Acetone & alcohol
- Practice hand (& more!)

**Upon course completion students will receive a Certificate of Attendance. At a later date (by appointment) the student will complete a full set on a model to receive a Certificate of Completion from The Pink Room.**

*\*Students who complete the Beginner Masterclass at The Pink Room will have the opportunity to take the Advanced Masterclass at a discounted rate.*
